Dear Friends,

Along with our community, our hard-working staff, and our members and their families at the Boys & Girls Club of Stamford, we are saddened and outraged about the tragic death of George Floyd and the events that followed.

At the Club, we work hard to create a culture for our members, our staff, and our community that respects all human life. We work rigorously and persistently to ensure the dignity and the safety of all the human race, and we treat each other with respect and caring. We believe and teach that violence is never an appropriate response to injustice.

We embrace diversity, inclusion, and multi-culturalism.

We will continue to live by these values today and in the future. Our hearts go out to the family of George Floyd and all families impacted by these tragic events.
